## STAYING SAFE > BUSINESS

.....

To tackle the spread of Coronavirus (COVID-19) our Safety Distancing Kits safeguard **employees, contractors and suppliers** complying with social distancing rules. Floor markers, arrows and maps guide personnel safely around the company premises, avoiding personal contact and queues at entrances and exits, promoting best working practices for everyone in these unprecedented times.

Our quick and easy to install solutions include:

- Staff protection
- Social distancing markers
- Hygiene signs
- One Way Systems
- Queue control
- Maps for employees and visitors

We can design any graphics to existing branding if required.
